

KEEP YOUR CHILD SAFE FROM CANNABIS EDIBLES

EDIBLES CAN EASILY POISON KIDS

Edible cannabis products often look like regular sweets and snacks such as candies, cookies, brownies, and chocolate bars.

EFFECTS ON CHILDREN

Children can experience overdose effects including hallucinations, anxiety, paranoia, dizziness, drowsiness, and any change in breathing.

KEEP EDIBLES OUT OF REACH

Store them safely

Use with caution

Label them

The best way to keep kids safe is to **not** have them in your home.

WHAT TO DO IF YOUR CHILD EATS AN EDIBLE

If your child's symptoms are severe, call 911.

Call the free poison control hotline: 1 (800) 222-1222
