CONSENT FOR VACCINATION

I have been given and have read or have had explained to me, the information in the Vaccine Information Statement(s) for the diseases and vaccine(s) checked below. I have had a chance to ask questions that were answered to my satisfaction. I believe I understand the benefits and risks of the vaccine requested and ask that the vaccine checked below be given to me or the person named for whom I am authorized to make this request. I request that payment of authorized benefits be made to the New Mexico Department of Health/Public Health Division/Immunization Program, for services furnished to me by that program. I authorize any holder of medical information about me to release to the Centers for Medicare and Medicaid Services and its agents any information needed to determine these benefits payable for related services.
